

BrightSpark Electric - Astra vs Gemini UI Comparison

Prompt: Change the background color, fix the overlapping alignment issues in the layout and change font family of this webapp.

Webapp after UI changes - key visual difference

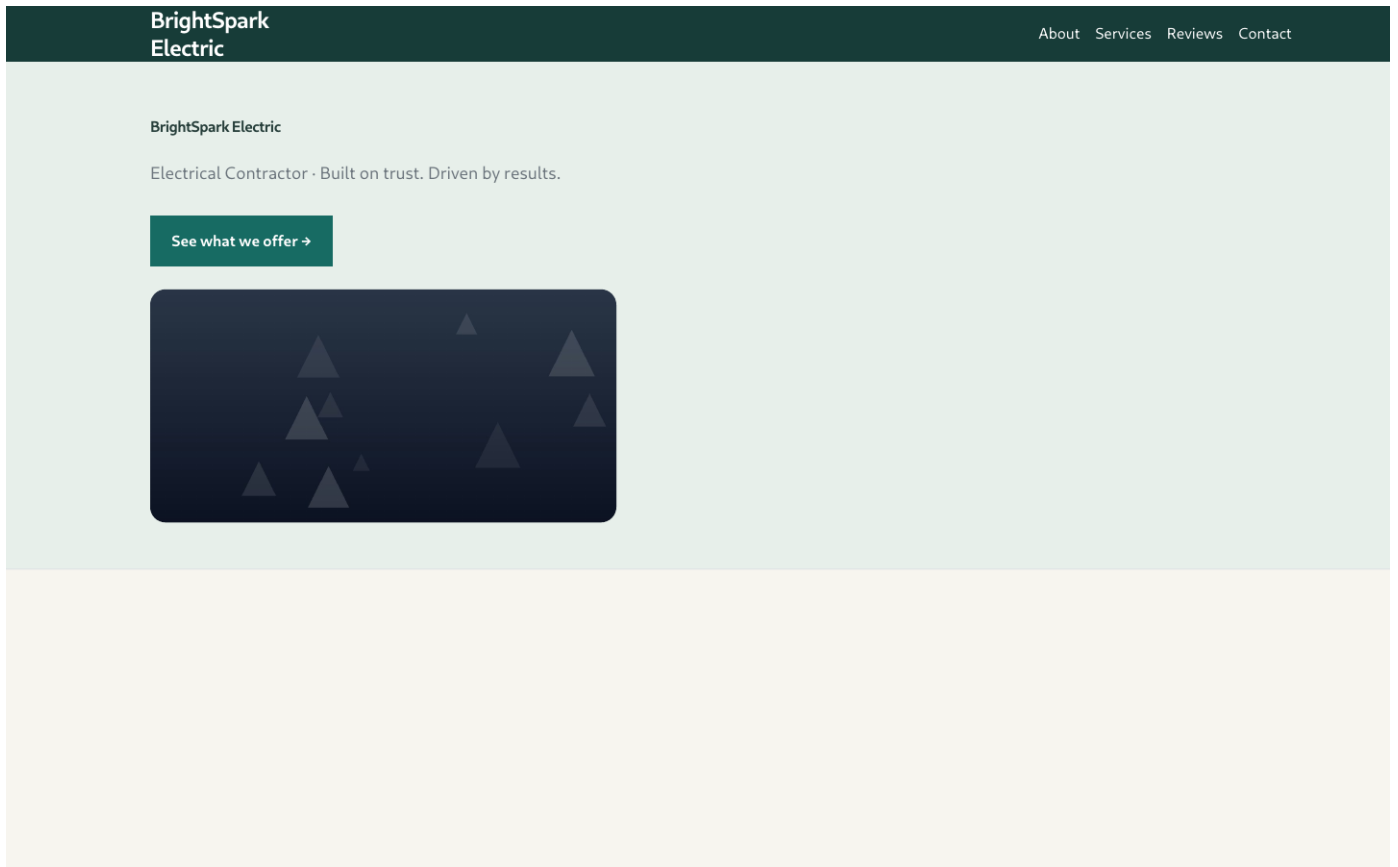

Astra

Gemini

Astra uses a muted green/cream theme and Manrope. Gemini uses a blue/slate theme with Outfit + Plus Jakarta Sans, adds a category badge, and applies a more explicit two-column hero layout.

Webapp after fixing alignment UI issues using Astra

Astra: compact dark-green navigation, pale green hero background, green CTA, and simpler hero composition.

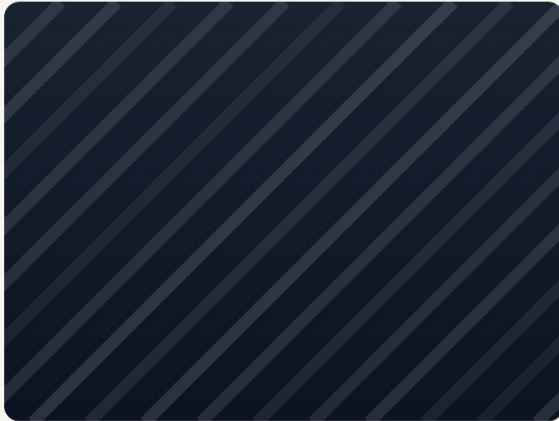

Astra - About/content alignment

About BrightSpark Electric

For years, BrightSpark Electric has built a reputation in the electrical contractor space by putting people first. Every visit, order, or project reflects our commitment to craftsmanship and honest service.

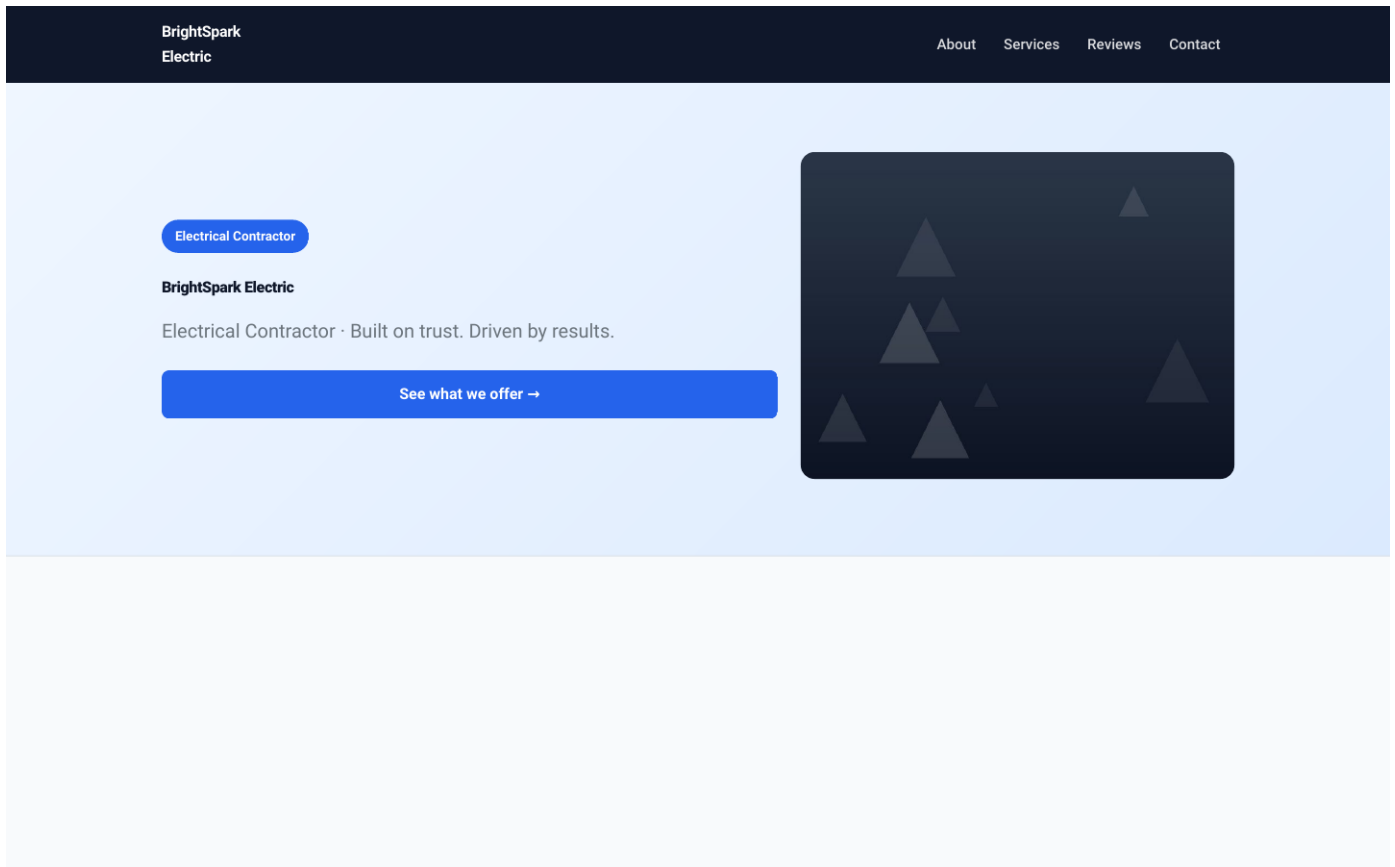

Electrical Contractor serving the local community with a focus on quality, consistency, and genuine care for every customer who walks through the door.

- ✓ Certified & experienced team
- ✓ Transparent pricing, no surprises
- ✓ 5-star customer reviews

In this rendered view Astra uses a stacked content treatment, cream page background, plain checklist items, and positions the image below the text.

Webapp after fixing alignment UI issues using Gemini flash

Gemini: blue CTA and badge, pale-blue hero, dark-slate navigation, and a balanced side-by-side hero image.

Gemini flash - About/content alignment

About BrightSpark Electric

For years, BrightSpark Electric has built a reputation in the electrical contractor space by putting people first. Every visit, order, or project reflects our commitment to craftsmanship and honest service.

Electrical Contractor serving the local community with a focus on quality, consistency, and genuine care for every customer who walks through the door.

- ✓ Certified & experienced team
- ✓ Transparent pricing, no surprises
- ✓ 5-star customer reviews

Gemini keeps the About copy and image side by side and adds circular check icons, stronger spacing, and a more structured content hierarchy.
